

Book it to the library because Archway Trivium East is jumping into the FUTURE with our 2020 PSO Sponsored Time Machine Read-a-thon!

What building has the most stories???
~A Library

Beginning October 19th and ending October 30th our read-a-thon will transport you back in time or into the future. A good book can solve a mystery or create a world of adventure!

Did you read that book about Mt. Everest?
~It was a real cliff-hanger!

This fun school-wide event for both in-school learners as well distance learners, encourages every scholar to count and total those reading minutes and collect sponsors; either by flat donation or per minute pledge. This year we have 3 exciting competitions* with 12 individual winners (two from every grade level) and one whole class winner! One scholar from every grade that reads the most total minutes as well as a scholar who earns the most total dollar donations during the read-a-thon will be awarded a book-tastic prize bag! The one class that has the most class participation** will receive a PSO sponsored Pizza Party in class!***

Dinosaurs didn't read...
~Now they're extinct

4 Easy Steps:

- Read 10/19-10/30 and record your minutes on your reading log
- Ask parents, family, friends for sponsor donations (either flat or per minute)
- Calculate total minutes and collect money for donations
- Turn in reading log and all collected cash/checks to the front office Tuesday November 2nd

All read-a-thon sponsor forms and money should be returned to the front office NO LATER than Tuesday, November 2nd. Cash and checks payable to ATE PSO are accepted.

Have you tried reading a book about anti-gravity?
~It's impossible to put down

Read-a-thon funds collected stay 100% at ATE and support all aspects of this great classical education!

*Competitions open to all scholars- in-school and distance learners

**Percentage will be calculated for fairness and highest total class minutes read will determine tie

***Any distance learners who are not present for pizza party will receive a voucher for an individual pizza from Peter Piper Pizza so they may too enjoy a pizza party
