

SCHOOL ADMINISTRATION DAY – WEDNESDAY, APRIL 21st

Dear ATE Families,

We are celebrating our school administration on Wednesday, April 21st. Please ask your child to decorate the sun attached and include a note for a specific staff member or a general note to all. You can make as many copies of the sun as you would like. Parents, please feel free to write notes to the staff letting them know how much you appreciate what they do for your child. Volunteers will be collecting suns in the morning valet line on Wednesday, April 21st.

The PSO will hang the suns for all to enjoy!

As always, gifts and tokens of appreciation above and beyond these heartfelt suns are never expected, but always appreciated. If you are interested in sending in a gift, please make sure it is clearly labeled and drop items off in the morning valet line along with the project suns.

Favorites
