

SCHOOL NURSE APPRECIATION DAY – THURSDAY, MAY 6TH

Dear ATE Families,

We are celebrating our school nurse, Mrs. Nielson, on Thursday, May 6th. The PSO would like to decorate her office with notes and pictures to thank her for all she does for our scholars. Please ask your child to decorate the attached picture, or write a note to Mrs. Nielson. Parents, please also feel free to write notes to the Mrs. Nielson letting her know just how much you appreciate all she has done for your scholars this year. As always, gifts and tokens of appreciation above and beyond these heartfelt bandages are never expected, but always appreciated. If you are interested in sending in a gift or donation for the Health Office, please make sure it is clearly labeled and drop items off in the morning valet line along with the project bandages.

Mrs. Nielson's Favorites: teal, candles, Dove chocolate, mint gum, dried fruit, Chick Fil A, Target, Amazon

Health Office Donation Suggestions
